www.christdisciples.org,

On behalf of Christ Disciples International Ministries Inc., I am writing to respectfully request your financial support for our 2025 Volunteer Award & Annual Fundraising Event. This event will celebrate the selfless contributions of our volunteers while raising critical funds to sustain and expand our outreach to Bronx families in need.

As the largest food pantry in Bronx County, Christ Disciples International Food Pantry serves an average of 50,000 household members each month by distributing over one million pounds of nutritious food yearly free of charge. Our holistic approach goes beyond food—we provide dignity, hope, and connection to resources that transform lives.

Our service has been recognized widely:
• Food Bank for NYC's Agency of the Year Award (2021)
• Commendation from the New York Times
• Mahoney/Shankman Award from the 52nd Police Precinct
• Formal recognition from our New York City Council Member
• A signed service arrangement with New York Cares, through which we mobilize volunteers

During the COVID-19 pandemic, we operated three daily shifts for six days a week with the National Guard to ensure no family went hungry. Today, we continue to operate three days a week (Monday, Wednesday, and Saturday), serving thousands with compassion and excellence.

Your support for this event would be an investment in the well-being of the Bronx community. By standing with us, you would help ensure that families facing hardship receive the nutrition and dignity they deserve, while also strengthening volunteerism and community pride.

Our sponsorship and recognition options are detailed below for your convenience. Thank you for your continued commitment to uplifting the Bronx community.

With deepest appreciation,
Emaeyak Ekanem, Executive Director
